- GB/T584 Marine flange cast steel globe valve
- GB/T585 Marine flange steel cut-off valve
- GB/T586 Marine flange steel check valve
- GB/T587 Marine bronze flanged globe valve
- GB/T588 Marine bronze flanged end check valves
- GB/T589 Marine Bronze Flange-return valve
- GB/T590 Marine flange cast iron valve
- GB/T591 Marine flange cast iron cut-off valve work
- GB/T592 Marine cast iron flange Check Valve
- GB/T593 Marine flange bronze, cast iron filler plug
- GB/T594 male Marine forged steel globe valve
- GB/T595 outside marine Threaded Bronze Valve
- GB/T596 Marine bronze external threaded end check valves
- GB/T597 Marine bronze external threaded valve
- GB/T598 Marine Threaded bronze filler plug
- GB/T599 Marine bronze external threaded discharge cocks
- GB/T1241 Marine forged steel external thread cut-off valve
- GB/T1850 Marine male heavy block fast closing valves
- GB/T1852 Marine flange steel steam valve
- GB/T1853 Marine flange cast steel valve closing the side
- GB/T1854 Marine single row of suction flange cast iron valve box

GB/T Valve Standards

GB/T1855 Marine flange single row of cast iron end suction valve box

GB/T1856 Marine flange single row of cast iron discharge valve box

GB/T1951 low male bronze marine valve

GB/T1952 male bronze marine low pressure check valve

GB/T1953 marine bronze low voltage cut-off valve outside the thread
